JOIN US!

Membership at the Y is a special thing. Be a part of a leading nonprofit organization for youth development, healthy living and social responsibility.

- When you join the Y you belong to a place where: Parents find a safe, positive environment for children to learn good values, social skills and behaviors.
- Families come together to have fun and spend quality time with each other.
- Children and teens play, learn who they are and what they can achieve.
- Adults connect with friends, pursue interests and learn how to live healthier.
- Communities thrive because neighbors support each other and give back.
- We all build relationships that further our sense of belonging and purpose.

Membership for all

We believe everyone deserves a Y membership, so the Lima YMCA offers financial assistance to individuals and families who might otherwise not be able to afford memberships or program fees. Ask a staff member about financial assistance. It's easy to apply and the Y does everything it can to make the Y a place for all.

Volunteer, Donate, Advocate

As a nonprofit, the Y is able to strengthen our community because of the dedicated youth, families and individuals who share our passion and make the Y part of their lives. They give their time, resources and talents — every day and in hundreds of ways — because they know they can improve the lives of others while enhancing their own through the Y.

Well-being of many of our neighbors is all too frequently limited by income or social isolation. The Y offers opportunities for every child, teen or adult to achieve his or her potential regardless of economic status. With your help, the Y can continue to expand programming and out-reach where it is needed most. Please consider volunteering your time, making a contribution, or sharing your story of the Y's impact.
